APRIL RECAP

Wow, what a month! We have to admit, April was a bit of a rollercoaster for us when it came to fundraising. It was kind of like trying to ride a unicycle while juggling flaming pineapples - definitely not easy!

But you know what? We managed to keep the circus going thanks to our amazing partners who have been with us through thick and thin. It's like having a group of really loyal fans who will still cheer for you even if you trip and fall on your face. (And trust us, we've had our fair share of falls.)

We want to give a special shoutout to our volunteers who have been absolutely amazing. They're like the secret ingredient that makes our events extra special. Without them, we'd be like a sandwich without the bread - not very satisfying.

Thanks for sticking with us through the ups and downs. We promise to keep the circus going and make you proud.

-The My Angel Foundation Team

Hunger is not a problem. It is an obscenity. How wonderful it is that nobody need wait a single moment before starting to improve the world.

WEEKENDS IN CARABOBO

We are excited to share with you the incredible work that we have been doing in Carabobo, Venezuela. Each Sunday, we have been bringing food to 150-200 kids and elderly in the area through the help of one of our partner organizations.

This initiative has become a weekend tradition that people rely on for support and we are proud to say that we do not ever want to stop giving it to them. We believe that this act of kindness brings the community together, and we have seen firsthand the joy that it brings to those who participate.

Through this program, our goal is to provide a hot meal for those who need it the most, and to give them an opportunity to spend time with their neighbors in a warm and welcoming environment. This is our way of giving back to the community and providing support to those who need it the most.

We are extremely grateful for our partner organization, who has helped us make this initiative possible. Their support has been instrumental in allowing us to provide this service to the community each week.

COMMUNITY EVENTS IN TRUJILLO

We are also pleased to share the amazing work that we have been doing in Trujillo, Venezuela, with the help of our partners, Fundacion Dibujando Sonrisas.

This month, we were able to sponsor several community activities that brought joy and hope to the most vulnerable communities, promoting values of solidarity and respect for the youngest members of our society.

One of the events that we organized was a social program where 200 children and adults came together to enjoy delicious arepas and watch a movie. This was a wonderful opportunity for the community to bond and create lasting memories.

In addition, we also held an activity where we served cups of soup to around 250 people during the day. We also organized recreational activities for the boys and girls in the sector. This initiative is a part of our commitment to the well-being of the community, and we believe that by promoting spaces of meeting and solidarity, we can improve the quality of life of the people we serve.

We are grateful to our partner, Fundacion Dibujando Sonrisas, for helping us make these events possible. Their support has been instrumental in allowing us to reach out to more people in the community and make a positive impact in their lives.
