FEBRUARY RECAP

We continue 2023 with a very strong February. This month, we introduced new partnerships, did more local outreach in underserved neighborhoods of Venezuela, and continued to make real progress against our 100,000 meals goal.

The overarching theme of the month has been that although many of the people we feed come from very difficult situations and are living in very vulnerable neighborhoods, they remain some of the most grateful and happy people we could imagine. Almost all the photos we receive are filled with contagious joy and happiness which could light a room. This is a constant reminder for all of us to be grateful for the little things in life, and to count our blessings daily, because we all have so much to be grateful for.

FEBRUARY NEW PARTNERSHIP

This month we began a new partnership with Anelly and her Venezuela-based nonprofit organization, I ♥ Projimo. With the help of her volunteers and team, we were able to provide food for 80 residents of Carabobo: 70 children and 10 adults. They were able to get some protein and a delicious meal, have fun with their friends, and we are blessed to be able to continue this partnership on a weekly basis with her community.

NEIGHBORHOOD MEALS WITH DORIS

In the month of February, our team member and leader Doris cooked incredible meals for members of her neighborhood, daily. Thanks to her dedication to this mission, she provided 600 meals (200/week). People love her food so much that we had to create a waiting list for people because we could not meet the demand. We are very grateful for her continued service to her community.

EXCHANGING FREE MEALS FOR A SMILE

Our friends and partners "Fundación Dibujando Sonrisas" started a new activity where their team walks around vulnerable neighborhoods and exchanges a hot meal for a smile. This simple, yet powerful exchange creates a moment of happiness for both parties, and it is a beautiful moment to watch. Unassuming citizens are approached at random and laugh when the request to exchange food for a smile is made, but it makes everyone's day just a little bit brighter, and that's what we are seeking to do.

In addition to this activity, our partners here provided 1700 total meals in February, a partnership we are very thankful for. This foundation is led by two strong leaders with a passion for making a difference in their community, Edgar and Arturo, and they continue to find new ways to help and new people to serve. We are constantly amazed at all they do and their graciousness to do it with nothing in return but the smiles they receive.
