MARCH RECAP

March has been a successful but challenging month for the My Angel Foundation. We have had to turn away several group requesting help and resources, as our funding has significantly slowed down. We are working on new and exciting upcoming events to help

combat the slowdown in funding, and are hopeful we will get back on track to hitting our 100,000 meal goal very soon. Our efforts in March have continued to prove our belief that it doesn't take much to make an impact, and the stories of gratitude we continue to receive are very rewarding for both our team and for our supporters. Thank you to everyone who continues to support this mission! We cannot do it without you!

MOTHER TERESA

CONTINUED PARTNERSHIPS

Anelly and her team at I ♥ Projimo have continued a strong month of weekend meal preparation and delivery. For just \$53, she is able to bring Arepas and milk or pasta each weekend to around 100 kids and adults. This weekend activity is becoming a tradition to many, and provides a bit of nutrition and smiles to the members of her community.
